

Transfer Students Policy

Transfer Students

Westcliff University will consider accepting students interested in transferring from other schools. To do so, a student must file out an [application for admission](http://www.westcliff.edu/apply) (<http://www.westcliff.edu/apply>), satisfy all admissions requirements, and submit official copies of transcripts from all schools previously attended that the student wishes to be evaluated.

Transfer Credit Evaluation Policy

Applicants who have earned credit hours at another appropriately accredited institution may transfer to Westcliff University subject to an evaluation of grades and courses taken. Applicants who wish to transfer should submit the application for admission, have a certified sealed transcript of the completed course work, and a copy of the course description from transferring school sent to the Office of Admissions.

[Admissions Requirements for Transfer Students](#)

Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at Westcliff University is at the complete discretion of an institution to which you may seek to transfer. If the course credits you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at Westcliff University will meet your educational goals. This may include contacting an institution to which you may seek to transfer to determine if the degree you earn will transfer.

As with all universities, colleges, and/or other educational institutions, it is always up to the complete discretion of the institution to accept or deny credits for transfer. Westcliff University also adheres to this policy when accepting credits for transfer from prospective students seeking admittance into Westcliff University.
