

WARRIOR WEDNESDAY:

Military Coffee Chat

Join us for an informal chat via Zoom to learn about benefits, resources, and scholarships available to military and veteran students at Westcliff University.

Founded in 1993 and based in Irvine, California, Westcliff University is regionally accredited and offers [bachelor's, master's, and doctorate degrees](#) spanning 21 areas of study, including **technology, education, business, and law**. With six start dates per year, our flexible and affordable programs are ideal for working professionals.

Westcliff University is a military-friendly institution and a participant in the Yellow Ribbon Program. We accept the Joint Service Transcripts.
