- Access academic resources to conduct research
- Forge valuable connections with peers, mentors, and professionals
- Develop new skills to broaden perspectives and gain experience
- Collaborate on global projects to impact academia

SCHOLARS SHAPING TOMORROW'S WORLD

Exchange Visitor Scholar Program

Exchange Visitor Scholars can come to Westcliff University for up to five years to conduct their own research. Scholars receive guidance on research design, methodology, and publication from a specialized Westcliff University Scholar Mentor. Visiting scholars also attend cultural events on campus and can audit classes to foster bilateral cultural exchange. Join our dedicated community and conduct research in your area of expertise at a dynamic American university.

WHY WESTCLIFF UNIVERSITY?

- Global Perspective
- Personalized Support
- Collaborative Learning
- Engaged Mentors
- Diverse and Inclusive Community
- Rich Cultural Experiences
- Intellectual Autonomy
